CAMP PROGRAM

BGCHC Summer Camp offers a variety of indoor & outdoor experiences. In addition to field trips, campers enjoy programs including art, city pool swimming and splash pad, sports & games, hiking and outdoor education, cycling, gardening and cooking. Many camp programs will tie back to the weekly theme and focus on fun and character development. Camp programs and schedules are meant to be age/grade appropriate, offering more challenging and flexible programs to older campers while creating consistency and stability for younger campers.

WHO CAN REGISTER FOR CAMP?

Campers who attend BGCHC Summer Camp must be at least 5 yrs old. All campers must be capable of participating positively in a group setting with ratios up to 1:25. Campers should also be capable of taking direction from adult leaders, be independent enough to care for their own belongings and basic personal needs — including having been toilet trained. BGCHC facilities are handicap accessible. All campers will become Club members to attend BGCHC Summer Camp. Camp fees run \$75/week with at least one day of attendance.

CAMP LOCATION & HOURS

Campers can be dropped off each morning starting at 7:30am. Attendance is taken promptly as each member arrives daily. Campers must be picked up each evening between 5:00pm and 6:00pm. Please be prepared to show photo ID for pick up if requested. We are closed July 4th.

WHAT PARENTS CAN EXPECT

Many camp activities are listed in the descriptions on this page. However, more detailed information can be found on the BGCHC Summer Camp Calendar which will be available on our website, and will have items added as field trips become available.
