

Dear Parent(s)/ Guardian(s),

The Boys and Girls Club of Hancock County have been awarded a grant that has allowed us to partner with Agape here in Greenfield. Agape cultivates personal growth by strengthening the mind, body, and spirit through unique horse-assisted experiences. For more information about Agape please visit their website at: <https://agaperiding.org>.

If your child has been diagnosed with a mental, emotional or cognitive disability and in grades 3rd-5th, then they are eligible to have the opportunity to participate in this program. You can fill out this form before **May 6th, 2024**, for your child to be considered.

Unfortunately, we are only able to accept **12** members to participate in the Agape program. Filling out the required paperwork **WILL NOT** guarantee your child a spot to participate in this program.

If your child meets the criteria to participate, you will be contacted by May 13th with more detailed information and the final paperwork that will be needed in order for your child to participate.

I _____ request my child
_____ to be considered in Agape sessions.
